

COVID-19: HOW WE CONTINUE TO ENSURE YOUR SAFETY

DRIVING EXPERIENCES

England progressed to Step 4 on the government's roadmap on Monday 19 July, with the removal of almost all legal restrictions.

Whilst our circuits are outdoor venues we recognise the importance of maintaining sensible precautions to reduce the risk of COVID-19 transmission. These are detailed below:

- You should not attend a driving experience if you (or someone you live with) has symptoms of COVID-19, you have tested positive or you are required to self-isolate. If this applies, contact us urgently at activities@msv.com or by calling 0343 453 9000
- If you develop COVID-19 symptoms whilst participating in an experience, or you are contacted by NHS Test and Trace and informed you need to self-isolate, you should leave the venue immediately and avoid any close contact with others
- Registrations and safety briefings will continue to be completed online in advance
- All buildings will be adequately ventilated to ensure fresh air flow in enclosed spaces
- We will deploy enhanced cleaning, particularly on shared equipment and surfaces that people touch regularly
- Helmets will be cleaned and disinfected prior to every driving session
- Each guest will be provided with a new disposable balaclava
- All closed top cars have been fitted with a clear screen separating the instructor and guest
- Balaclavas, a helmet and gloves will be worn by the instructor and the guest at all times when inside vehicles (except Land Rovers, where guests and instructors will wear a face covering and gloves)
- YoungDrive instruction will be 1:1 (previously there were three pupils per vehicle)
- Hand sanitiser will be readily available across all our venues
- We recommend the use of face coverings in any enclosed indoor spaces. Please ensure you bring one with you to the event
- We will provide NHS QR code posters to enable visitors to check-in when they arrive at our venues
- MSV staff who work indoors may be based behind Perspex screens or wear appropriate PPE

We want to ensure we can offer you the best possible experience and look forward to seeing you soon. Please respect each other, our employees and our guidelines on maintaining good hygiene.
