## Brands Hatch - a Theatre of Dreams

Since 1926 the world-famous Brands Hatch has been the scene of many momentous occasions. We have played host to some of motorsport's biggest days and, in the process, watched history being made.

Over the decades, household names like James Hunt, Nigel Mansell and Ayrton Senna have raced and won at Brands Hatch, and it's as popular today as any time in its illustrious past.

We constantly look to the future, and our history writes itself every day.

We invite you to be part of that history.

## The MotorSport Vision Centre

The MotorSport Vision Centre offers arguably the most unique wedding venue in the south east. With panoramic views of the Brands Hatch Indy circuit, the backdrop will live long in the memory of you and your guests.

Intimate ceremonies, formal breakfasts and major receptions are effortlessly taken care of by our modern, purpose-built facilities. And for photographs, our 300 acres of grounds offer a variety of scenery that's hard to match: hallowed racing tarmac, rolling lawns, coppiced woods or, indeed, the winner's podium.

## Timing is everything

In motorsport, everything depends on it. It defines first and second place. Winning and losing. So, for your complete peace of mind, you have the reassurance that our team is with you at all times, watching the clock and attending to every detail.

Cuisine, décor and ambience – all under our direct control and handled with elegance and sophistication.

Our dedication to delivering the day you want is unrivalled. From working strictly to schedule to dealing flexibly with the unexpected, we're with you every step of the way.
